Sur-Pro's Identity is Innovating for the Professional Contractor

Magnum Tool Corp., Inc. was founded in 1989 primarily as a hand-tool wholesaler targeting the Houston Market. As the company grew, it saw a need for high quality, professional tools designed for drywall contractors. To target this market, the Magnum Tool Corp., Inc. created the Sur-Pro brand. Today Sur-Pro products can be found everywhere in the US and many international locations such as Canada and the UK.

The Sur-Pro Line

In 1995 Magnum's sister company, The Forest Group, Inc., introduced the Sur-Stilt drywall stilts. The Sur-Stilt takes elements from the traditional drywall tools and adds features that transforms the user's experience. Stronger, more reliable construction, new pioneering use of materials, and innovative engineering led to the introduction of the patented S2 Double Sided Sur-Stilt. In 2016, the engineers at The Forest Group introduced even more features to improve comfort, stability, and safety in the signature QuadLock stilt line.

Sur-Pro has also received incredible feedback for its Dump Carts, Drywall Carts and other tools that were re-engineered to excel on the roughest construction site. Sur-Pro engineers redesigned our dump cart tubs to tilt easily, navigate smoothly through elevators and doors, and stack efficiently for better storage and shipping. The team added heavy duty wheels and casters, lids, and continue to innovate and customize to create stronger products.

The Sur-Pro Family's Commitment to Our Products and Customers

The Magnum Tool Corp., Inc. and The Forest Group, Inc. stand behind their products and services and offer the industry's best warranties and customer support. Our devoted team of engineers, customer service representatives, and product experts work in tandem to ensure the highest level of customer satisfaction.

Have a question, product recommendation, or reviews? Do not hesitate to contact us and please ask to join our mailing list!

DUMP CART & DRYWALL CART PALLETS

Sur-Pro dump carts and drywall carts are designed for efficient shipping and storage. Please contact us at 1.888.443.8889 for more details and full pallet pricing.

Mix and match different dump cart configurations and sizes with lids to qualify for full pallet pricing and prepaid shipping. Pallet examples:

- 14 x DUC12T + 3 lids
- 12 x DUC100-12 + 3 lids
- 12 x DUC100-R + 3 lids
- 10 mixed dump carts + 6 lids
- 12 mixed dump carts + 3 lids
- * Excludes DUC100-H

Mix and match commercial drywall carts (DOA3200) and residential drywall carts (DOR04) on one pallet (full pallet is 10 carts) to qualify for full pallet pricing and prepaid shipping.

Mix of up to 12 carts with even numbers for either model.

Examples: 6 commercial & 6 residential carts

8 commercial & 4 residential carts

WHEELBARROWS
